Policies & Actions

Preserve Natural Areas

- Preserve a network of habitat & open space
- Encourage parkland dedication & conservation easements for trails
- Capture the inherent value of parks, open spaces, and trails
- Allow & encourage historical agricultural uses

Policies & Actions

Direct Growth to Downtown Areas

- Encourage growth & density by improving underutilized downtown parcels
- Reduce traffic speed in downtown area
- Public spaces to create enjoyable places to stay & contribute to the economic viability

Revitalize Corridor & Neighborhoods

- Provide non-residential uses that are accessible for the convenience of individuals living in residential districts.
- Protect adjoining properties from the potential adverse impacts associated with non-residential uses
- Reduce the length and number of vehicle trips generated by improving access.

Revitalize Industrial Areas

- Support innovative and flexible land use framework for industrial district.
- Encourage the use of “green” technologies to minimize noise, air, and water pollution.

Policies & Actions

Retrofit suburban development.

- Reuse the existing structure.
- Integrate more housing choices in existing subdivisions.
- Add new units to existing subdivisions.
- Invest in public realm improvements.

New development will create diverse & walkable neighborhood

- Create diverse neighborhoods instead of a monoculture of single-housing type.
- Walkable streets.
- Access to streets, sidewalks, trails, transit, parklands, schools, existing utilities, & retail commercial goods and services.
